### Teacher Report by Ms. Morin

Introduction and explaining her strategy for Math to make it more fun. Lots of interactive work, students working on whiteboards, more engagement.

### Student Report

No student today for Student report

### Trustee Report

Todd sends his regrets but wants to let us know that grandfathering in students in Grade 10, it will be brought up at the School Board Trustee meeting on Thursday March 6th. Encouraging parents to reach out with their concerns.

### Admin report

PBIS TFI: we are at 83% implementation for PBIS over 13% of last year.

Students are using crosswalks and behavior has improved at sporting events.

Surveys: It's survey season. There is a large grade 10 survey going out to all students, parents and teachers from Alberta Education.

Letter will be sent home with Students.

Following that will be the RVS pillar survey to students and parents.

Helps collect information and feedback.

Fees and budget upcoming:

Programs fees may raise, but admin will work with teachers to work through that. Will try and keep any fee raises minimal.

Budget will come out early April for next year. Planning, timetables, staffing planning will

commence with the goal of having everything ready by June 1<sup>st</sup>.

Planning:

Parking – Will be discussed at a further meeting.

Chair Update:

a) Discuss having internet and screen addiction presentation if we should have another one or not.

Last time only the current regulars of parent council attended. So, we decided not at this time..

b) Parent Council received an email from a parent asking if the parent council would write a letter to the government regarding the new legislation regarding pronouns.

Parent council discussed and decided that many letters by any parents concerned about this would be better than one singular letter.

Meeting adjournment 7:18pm
